

1st Tattenhams Scout Group

AGM 29th September 2021

Chairman's report

Charity No. 306689

Welcome

I would like to thank everybody for being here this evening, and how great it is to be meeting face to face and not on a Zoom call.

Despite the challenges, I am pleased to say that 1st Tattenhams has managed to thrive this last year with all sections continuing to meet along with two summer camps, so a big thank you to the leaders, young leaders, helpers, parents and members of the board for making this happen.

Leadership

The leadership team remains stable, with Ben, our Cubs leader having recently also taken on the Explorers section, which meets at the hut on a Tuesday night.

We are always looking for new leaders, helpers and board members, so if you feel that you would like to be involved, please do speak to any of the team here tonight.

Financial

Thanks to our ever-resourceful treasurer, Tony, 1st Tattenhams was fortunate to receive government grants which have allowed the group's financial position to remain comfortable.

Our tenants, the playgroup, and dance classes have resumed and these provide rental income in addition to the member's subs.

Premises

Our hut has seen new double glazing windows this year, new flooring in the toilets, and plans are afoot to replace the main hall flooring, upgrade the lighting and make use of the top huts loft space for storage.

We are always looking for volunteers to assist with the maintenance, please do let us know if you are available to help.

Thank you,

Kevin Golding
